About Argentum Silver Corp.

Argentum Silver is a junior mineral exploration company listed on the TSXV under the stock symbol ASL. Through its wholly owned subsidiary, Norsemont II Resources SAC, the company controls the Cochavara Project consisting of six silver-lead-zinc mining concessions totalling 3,479 hectares in La Libertad, Northern Peru. The mining concessions host several mineralized structures with the main mineralized zone (Margarita Mine) covering an estimated strike length of 1,500 metres. The project area is located 3.5 kilometres southwest of the historical Quiruvilca silver-lead-zinc mine deposit, a large polymetallic vein system with over 130 different mineralized structures. The Company is actively reviewing additional mineral exploration properties in North America.
